VILLAGE HALL

VILLAGE SHOP

You will probably have seen that work has actually started on the development of “Aspect Wood” at Corner Farm, which will include our new purpose built village hall.

Also included in the development, is the opportunity of having our very own village shop, a very exciting one, given that we had one up until 14 years ago. It was a very sad day when it closed, not least as we had to say goodbye to Hilary and Jack, who ran the shop so successfully over many years.

So, we now have a chance to have a “purpose built” shop, which will be part of the village hall. It will be an opportunity to bring our community closer together, a sentiment so missed by all of us over the last few years.

So with time currently on our side, we thought it pertinent to find out from the community what their expectations of a village shop are. How would they use it? What would they buy from it? How long do they think it should be open for and other insightful information.

And of course, whether there are any keen shop keepers out there who can help us with the planning, managing and running of the shop.

Please take time to study the questionnaire, think about specifically what role it should take in your daily lives and how much you will use it. And return it to one of our “pick up” points. These are at **The Royal Oak**, **The Weald Smokery** or at **Neil Langridge’s house, SENRAB, Union Street, Flimwell, TN5 7NT**

This is your chance to be part of it.
